## ***GOD IS STILL A HEALER AND STILL WORKING MIRACLES***

***Acts 10:38 God anointed Jesus of Nazareth with the Holy Ghost and with power; who went about doing good and HEALING ALL that were oppressed of the devil.***

There are 729 verses in the New Testament that mention HEALING. God (Jehovah Rapha), went about healing all that were oppressed. Mat. 8:16, 17 They brought unto him many that were possessed with devils; and he cast out the spirits with his word, and HEALED all that were sick. That it might be fulfilled which was spoken by Esaias the prophet, saying, Himself took our infirmities, and bare our sicknesses.

That same God that had compassion for the people then, is still concerned about the health and well being of His people today. He is "the same yesterday, today and forever." God wants His people to be in good health so they are able to engage in prayer, worship, sanctified praise and that He may get the Glory!

***It's God's will  
to HEAL!***

***1 Peter 2:24***

*Who his own self bare  
our sins in his own body  
on the tree, that we,  
being dead to sins,  
should live unto  
righteousness: by  
WHOSE STRIPES YE WERE  
HEALED*

***Psalms 34:19***

*Many are the  
afflictions of the  
righteous: but  
the Lord DELIVERETH  
him out of them  
ALL.*

***GOD HEALS the LAME***

**This young man was the victim of a multiple gun shot wound and was presumed dead. After years of battling paralysis, sitting around in a wheelchair, countless visits to the Shepherd's Center, and being informed that he would never walk again, he put his trust and faith in the hands of God.**

**He came to this one night Healing Crusade expecting a Miracle and Jehovah Rapha (God our Healer) didn't let him leave disappointed. Apostle Ronald Harden ministered on this evening with the assistance of Dr. Debbie Armstrong of Divine Deliverance Life Center, and Healing Teams were available to continue praying and laying hands on the sick.**

**Upon his next visit to the Shepherd's Center, he was walking to the Glory of God!**

## ***BLINDED EYES COME OPEN***

### **A DOUBLE BLESSING!**

This young lady came to the Tent Crusade wearing a hearing aid (Deaf ears) and with impaired vision. The man of God, Apostle Harden prayed for her, commanding her healing. She removed the hearing aid, as she was able to hear and repeat every word that Apostle Harden spoke to her.

**The Healing Glory and Fire was on upon her.**

After she received her hearing, the Lord healed her blinded eyes. She was able to identify her neighbor who was sitting at the back of the tent.

## HEALED FROM A STROKE!

**Ms. Sandra Hunt stated that she had been going back and forth to the doctor for her head as she had spots on her brain. She had to endure three MRI's. The first two MRI's revealed blood on the brain. High Blood Pressure had aggravated her kidney and she had to gain control. Apostle Harden laid hands on her and prayed the prayer of faith. After receiving a touch from the Almighty Hand of God, the third MRI showed NO BLOOD on the brain and Sandra was completely healed.**

## ***GOD IS OPENING DEAF EARS***

### **A CREATIVE MIRACLE!**

**Apostle Harden prophesied and prayed for a creative miracle.**

**Evangelist Larimore had suffered from hearing loss in one ear for thirty years.**

**The doctor said the bones in her ear had fused together and didn't vibrate appropriately to conduct sound.**

**God gave her a creative miracle.**

**On the following Sunday morning she was sitting in church service when her ears popped open and she has been hearing clearly ever since.**

## HEALINGS IN ST. LOUIS, MO

**Apostle Ronald Harden/Assisted by Apostle Debbie Armstrong**

In response to a pronouncement on Friday night that people would be healed before the service on Saturday night, God did just what He said.

One lady suffering with pain from an ulcer in the stomach was healed. Problems with fallen arches, bone spurs, and others with excruciating pain were healed.

Apostle Harden called for those with various instances of tumors to come forth. One lady with a tumor the size of a five-month-old baby had the tumor shrink almost immediately. Doctors had informed her of her inability to ever conceive. The tumor with its hardness shrunk all the way down and she was ecstatic.

A male with a tumor on his lung, who was in pain 24/7 and had difficulty breathing, was healed after going out under the Power of God 2 or 3 times. Two days later he was still healed and breathing naturally.

Another young lady with 5 fibroid tumors (as was called out by prophecy) prevented her from sleeping normally for the past 2 years. She was healed at the count of 12.

With great determination and faith, Pop Dumas checked himself out of the hospital and was carried into the service. He could not even lift his legs. Previously, he had back surgery and metal plates were placed in his back. A cancerous tumor had lodged onto his lung, causing pain 24/7. He was told he would never walk again. To everyone's amazement, he lifted his legs that same night and asked to stand up. By the next two days, his daughter sent a video of him walking free of pain, using a walker.

Three people with fibromyalgia were healed and testified during the service. Four others emailed their testimonies of healing to Dr. Armstrong. One lady emailed that she was healed of both fibromyalgia and scoliosis. Three or four days later, her bones were still popping back in place.

Another lady, who had pastored for forty years, reported that she lost her mobility in her legs when something suddenly popped in them. Subsequently, she was diagnosed with rheumatoid arthritis. Well, she got up by the Power of God, left her walker and walked and walked and walked.

Pastor Dumas shared that the Holy Ghost straightened the bones in her legs and feet, allowing her to run pain free for the first time in years.

**SEPTEMBER 18, 2016**

The Hand of God in tonight's service used Apostle Ronald Harden mightily. The Spirit of God called out various conditions such as bone problems. After a touch from God, Angela who was stricken with this impairment began to lift her legs; jumping, shouting and praising God!

**JANUARY 15, 2017**

The Man of God called out back conditions tonight. One female came forth that had spikes on her back and was unable to move her arm. With just a touch from God, she shouted with a Loud Voice, "It's Loose." She began to move her arm in a circular motion!

**The precious Gift of Healing gives many hope and in many instances, a second chance at life. This blessed gift gave my mother a second chance, extending her life by approximately fifteen years after suffering from a heart attack. My mother had collapsed on the floor when I called Apostle Ronald Harden to pray for our dying mother. He told me to put the telephone to her ear. As he prayed, I could see life coming back into her body. Thank God! She lived many years after this life threatening experience. God's resurrection power saved her from the sting of death!**

**God can SAVE, HEAL, and DELIVER you too!**
